Pupil Premium Policy

At Richard Crosse CE Primary School, we believe that all our children have an equal entitlement, and should have an equal opportunity to:

- Develop imagination and creativity
- Acquire skills and abilities
- Have a love of learning
- Be competent in reading, writing and mathematics

The school receives funding from the Government to support it in trying to meet this aspiration. This is known as the Pupil Premium.

What is Pupil Premium?

Pupil Premium was introduced by the government in 2011-2012 as an additional contribution to main school funding in order for schools to,

'Address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most'

DfE April 2012

There are three categories of children that qualify for pupil premium:

- Children who are eligible for free school meals (FSM)
- Looked after children
- Armed forces children

It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils for whom they are responsible. The Pupil Premium is allocated to schools with pupils on roll that are known to have been eligible for free school meals (FSM) ***at any time in the last six years***. As of April 2014, Pupil Premium Funding is also given to children who have been adopted from care. Each of these pupils will receive £1320 or £1900 if a Looked-after child (LAC), defined by the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority

Schools have the freedom to spend the Premium, which is additional to the underlying schools budget, in a way they think will best support the raising of attainment for the most vulnerable pupils.

At Richard Crosse CE Primary School, all our staff and Directors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within a caring environment. The targeted and strategic use of pupil premium will support us in achieving our vision.

Principles

- We ensure that Teaching and Learning meets the needs of all our children and that they experience quality first teaching.
- Following assessment, the children who are in receipt of PPF are allocated additional support according to their requirements.
- It is our aim that our work relating to the Pupil Premium will ensure that all children will achieve at least age related expectations (ARE) in Reading, Writing and Mathematics and that by the End of Key Stage Two all children will have made at least two levels expected progress between Key Stage One and Two.
- We also ensure that no child is disadvantaged through the inability to pay for school trips, residential visits, music lessons and extra-curricular activities etc.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged;
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being in need of intervention and support;
- Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.

Provision

The range of provision the staff and Directors consider making for this group include:

- Reducing class sizes thus improving opportunities for effective teaching and accelerating progress;
- Providing 1-1 and small group work with an experienced staff member focused on overcoming gaps in learning;
- Additional teaching and learning opportunities provided through learning mentors, trained TAs or external agencies;
- The majority of our work through the Pupil Premium will be aimed at accelerating progress moving children to at least Age Related Expectations. This will focus on Reading, Writing and Mathematics.
- In addition, the school recognises that the wider curriculum supports and enriches children's development in communication, English and Maths, and therefore funding will also be allocated to enable children to participate fully and actively in wider and extra-curricular activities;
- Pupil premium resources may also be used to target able children to achieve GDS (Working at Greater Depth)
- High quality CPD for our staff is also an integral part of our drive to narrow the gap
- Provision **will not** be aimed at statemented children as funding for need is already in place.

How we have spent the money

We have spent this year's allocation of funding on resources that underpin the principles and provision listed above. We have enriched our children's education through funded support for some educational visits, residential, morning breakfast clubs and extra-curricular enrichment activities. Alongside this, we have strived to ensure that our Pupil Premium children receive additional 1:1 and small group support from both teachers and teaching assistants.

Measuring the Impact

The progress and achievement of all children is monitored on a termly basis. Information from lesson observations, children's books and parent/pupil feedback also inform our analysis and help us to target support. Any child, regardless of receipt of PPF, who is identified as needing intervention, will receive appropriate targeted support.

Monitoring and evaluation is led by the Headteacher and Senior Leadership Team, the SENCO and the Directors through regular meetings and discussions.

How can parents and carers contribute to the success of the Pupil Premium Funding?

If your child is eligible for free school meals it is worth registering them even if they are not going to take the school lunch. It will have a direct impact on the funding we receive and will maximise the support we can provide. Parental support and involvement is a key factor in ensuring that children make good progress and leave primary school with a good level of literacy and numeracy.

Your child may be entitled to Free School Meals if you are in receipt of the following:

- Income Support
- Income based Jobseekers Allowance
- Income related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The Guarantee element of State Pension Credit
- Child Tax Credit, providing that you are not entitled to Working Tax Credit and have an annual income (as assessed by HM Revenue and Customs) that does not exceed £16,190
- Working Tax Credit 'run-on' – the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit

If you would like help or advice please do not hesitate to contact the school office.

The impact of our Pupil Premium provision 2017/2018

Children have made accelerated progress across the school, with some children working at or above age-related expectations, but this was not consistent in 2016/17. Termly tracking of progress enables the SLT to intervene in the earliest possible time, and match pupils' needs with specific provisions/ interventions.

This intervention has been extremely successful. The results are listed below:

- Vulnerable children achieved ARE in reading achieving – 83%
- Vulnerable children achieved ARE in mathematics achieving – 100%
- Vulnerable children achieved ARE in writing achieving – 100%

Our goals for this year: Academic priorities identified for 2018/19

The number of pupil premium eligible pupils for the current academic year has stayed mainly the same. We aim to ensure all of the pupils achieve at least the expected standard in Reading, Writing and Maths, with Greater depth a priority for 33%. Targets and funding will be really personalised and tailored to meet the needs of the whole child. In line with our School Improvement Plan, we aim to have all children make accelerated progress in reading, writing and mathematics with an ambitious target of 33% of vulnerable children achieving Greater Depth in reading, writing and mathematics.
